

August 2018

Dear Business Leader,

As a member of the local business community, you understand the need to maintain a safe, secure working environment. So do we.

Yet, Baltimore's extreme weather events these past few months have wreaked havoc on our church's roof, thereby damaging internal ceilings, closets and classrooms. We are actively seeking solutions to help offset the cost of repairs, so **we can continue the vital ministries that benefit people in our community and beyond**, such as the Emergency Food Pantry, weekly Support Group meetings (for AA, NA, and GA), Food for Thought backpack program and PATHWAYS tutoring for school-aged youth, and our state-licensed Hampton Lane Child Development Center.

We're not crabby about these rough waters. Instead, we're hosting a community event on Saturday, September 8, 2018 to raise funds and boost fellowship. It's an all-you-can-eat CRAB FEAST in our church hall, from 4-7pm – catered by Conrad's Crabs.

That's why we are contacting you!

We are gathering donations for a Silent Auction on event night; and **we'd appreciate any monetary or in-kind donation that will help our church meet its goals.**

Even better, your gift is a tax deductible donation and a promotion for your business!

Thank you in advance for your generosity and support!

Sincerely,

Maryanne Arthur
TUMC Marketing & Communications Director
